Dear Sir / Madam,

Incentive-Based Regulation in Kulim Hi-Tech Park – The Imbalance Cost Pass-Through (ICPT) Tariff Surcharge from 1 July 2018 to 31 December 2018

We wish to inform you that the Government of Malaysia's decision to the Imbalance Cost Pass-Through ("ICPT") for non-domestic electricity customers in the Kulim Hi-Tech Park will be at a surcharge of 2.10 sen/kWh from 1 July 2018 until 31 December 2018.

The surcharge above is necessitated due to the increase in gas price from RM22.70/mmbtu to RM24.20/mmbtu beginning 1 January 2018.

Correspondence of the Suruhanjaya Tenaga to NUR on the ICPT amount together with the Suruhanjaya Tenaga's Press Release dated 29 June 2018 on surcharges to be levied to electricity consumers in Peninsular Malaysia (other than in KHTP), Sabah and Wilayah Persekutuan Labuan for the period 1 July 2018 to 31 December 2018 has also been provided earlier.

We also wish to emphasise that the ICPT implementation is financially neutral to NUR.

Please contact us should you require any further clarification on this matter.

Thank you.
