Dear Sir / Madam,

**Incentive-Based Regulation in Kulim Hi-Tech Park – The Imbalance Cost Pass-Through (ICPT)  
Tariff Surcharge from 1 January 2018 to 30 June 2018**

We wish to inform you that the Government of Malaysia's decision, notwithstanding the gas price increase from RM22.70/mmbtu to RM24.20/mmbtu beginning 1 January 2018, that the Imbalance Cost Pass-Through ("ICPT") for non-domestic electricity customers in the Kulim Hi-Tech Park will remain the same at a surcharge of 0.66 sen/kWh effective from 1 January 2018 until 30 June 2018. Please find enclosed the Suruhanjaya Tenaga's Press Release on this matter which can also be found on their website :

<http://www.st.gov.my/index.php/en/highlight/item/799-pelaras-tarif-elektrik-di-kulim-hi-tech-park-kedah-bagi-tempoh-1-januari-2018-hingga-30-jun-2018-bagi-pengguna-kategori-industri-dan-komersil>

As this ICPT surcharge quantum is unchanged from the preceding 6-month period from 1 July 2017 to 31 December 2017, you will find that NUR will be charging you the same ICPT for your electricity consumption in January 2018 as compared to December 2017.

We also wish to emphasise that the ICPT implementation is financially neutral to us.

Please contact us should you require any further clarification on the matter.

Thank you.
