Dear Sir / Madam,

**Incentive-Based Regulation in Kulim Hi-Tech Park – The Imbalance Cost Pass-Through (ICPT) Tariff Surcharge from 1 July 2017 to 31 December 2017**

We wish to inform you of the Government of Malaysia's decision, notwithstanding the gas price increase from RM19.70/mmbtu to RM21.20/mmbtu beginning 1 January 2017, that the Imbalance Cost Pass-Through ("ICPT") for electricity customers in Kulim Hi-Tech Park will remain the same at a surcharge of 0.66 sen/kWh from 1 July 2017 until 31 December 2017.

As this ICPT surcharge quantum is unchanged from the preceding 6 months period from 1 January 2017 to 30 June 2017, you will find that NUR will be charging you the same ICPT for your electricity consumption in July 2017 as compared to June 2017.

We also wish to emphasise that the ICPT implementation is financially neutral to us.

Please contact us should you require any further clarification on this matter.

Thank you.
